Subject: - Reserved vacancies to be notified clearly mentioning speciality against the posts in the advertisement while making contractual appointment in the ESIC Hospitals/Medical colleges and compliance of reservation policy of DoPT, GOI instructions-reg.

Sir/ Madam,

It has been brought to the notice of ESIC, Hqrs. Office that there are some discrepancies in the advertisements issued by some MSs/Deans while inviting applications for contractual engagement for the medical side posts. These vacancies include posts reserved for SC/ST/OBC/PwBD/EWS etc.

Cumulative reservation position is being indicated against total number of posts. Whereas, reservation position against the Speciality/Department of the concerned posts should be clearly mentioned in the advertisement itself, as per the instructions.

This is required to enable the candidate to apply against the Speciality/Department concerned for which he/she is eligible to apply, as per Government of India instructions.

For illustration purpose, one sample of such advertisement is attached for ready reference.

This issues with the approval of Competent Authority.

Yours faithfully,

Encl: As above.
